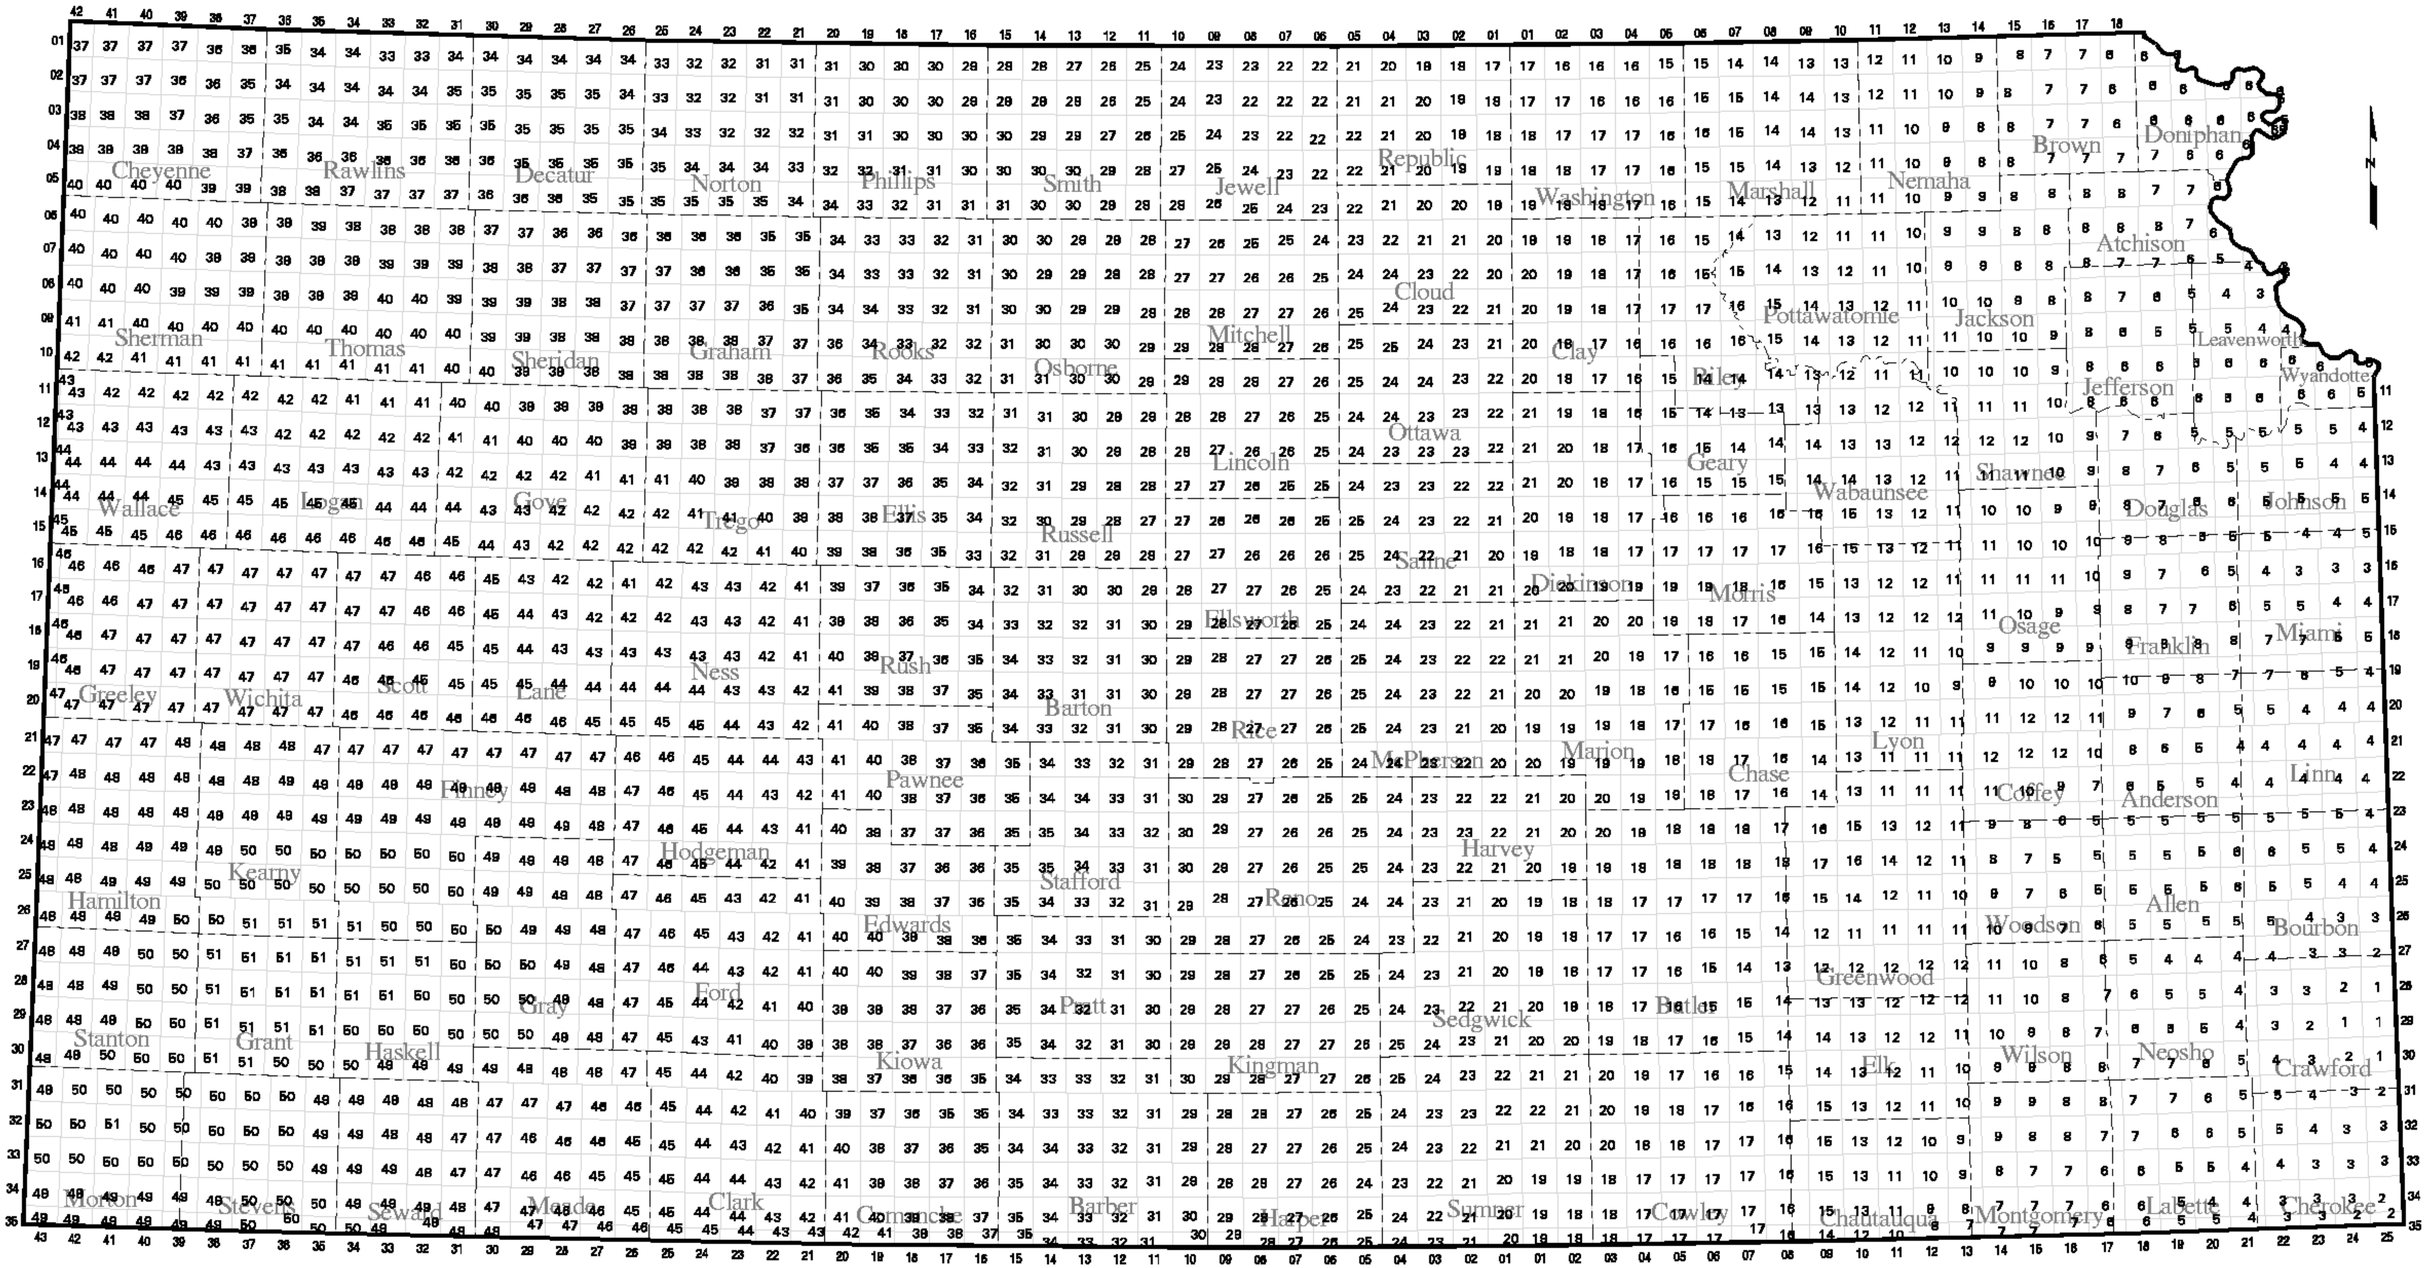
Potential Net Evaporation, in Inches, for Kansas

(Annual Average Evaporation minus Annual Normal Precipitation)



MAP SOURCE

NOAA Technical Report NWS 33, 'Evaporation Atlas for the Contiguous 48 United States' and
US WEST Optical Publishing, 'CLIMATEDATA–Summary of the Day, 1992'

Kansas Department of Agriculture
Division of Water Resources
Subbasin Water Resources Management Program
September 06, 1996

Map values were interpolated from an existing isoline map (evaporation) and point data (precipitation) using the GRID Module of Environmental Systems Research Institute's ARC/INFO GIS package and Golden Software's SURFER. The map values can vary depending on the interpolation process used.
