### KPERS and Social Security won't be enough.

Most financial experts suggest replacing at least 80% of your income in retirement, and your KPERS pension probably won't be enough. You need to save on your own. That's where KPERS 457 comes in. We're a 457(b) savings plan for public employees. KPERS 457 gives you the tools to **complement** your KPERS and Social Security for a more sound retirement.

- You choose when and how much
- As little as \$12 a paycheck
- Simplified investment options
- Pretax, automatic contributions
- Costs less than the industry average

### Getting started is easy!

Enroll online or call for an appointment with a **real** person, when and where it's convenient for you. We'll be here to help every step of the way. After all, what are sidekicks for?

Get started saving today, even with a little bit. Because someday you might want to retire.
