AN ACT concerning employment security law; relating to definition of employment; service performed by certain agricultural workers who are aliens; amending K.S.A. 2002 Supp. 44-703 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2002 Supp. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) “Annual payroll” means the total amount of wages paid or payable by an employer during the calendar year.
(2) “Average annual payroll” means the average of the annual payrolls of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contribution for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer’s “average annual payroll” shall be the average of the payrolls for those two calendar years.
(3) “Total wages” means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1) of this section.

(b) “Base period” means the first four of the last five completed calendar quarters immediately preceding the first day of an individual’s benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

(1) If an individual lacks sufficient base period wages in order to establish a benefit year in the matter set forth above and satisfies the requirements of subsection (g) of K.S.A. 44-705 and subsection (hh) of K.S.A. 44-703, and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to
prevent establishment of a valid claim. For the purposes of this subsection, “alternative base period” means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.

(2) For the purposes of this chapter, the term “base period” includes the alternative base period.

(c) (1) “Benefits” means the money payments payable to an individual, as provided in this act, with respect to such individual’s unemployment.

(2) “Regular benefits” means benefits payable to an individual under this act or under any other state law, including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85, other than extended benefits.

(d) “Benefit year” with respect to any individual, means the period beginning with the first day of the first week for which such individual files a valid claim for benefits, and such benefit year shall continue for one full year. In the case of a combined wage claim, the benefit year shall be the benefit year of the paying state. Following the termination of a benefit year, a subsequent benefit year shall commence on the first day of the first week with respect to which an individual next files a claim for benefits. When such filing occurs with respect to a week which overlaps the preceding benefit year, the subsequent benefit year shall commence on the first day immediately following the expiration date of the preceding benefit year. Any claim for benefits made in accordance with subsection (a) of K.S.A. 44-709 and amendments thereto shall be deemed to be a “valid claim” for the purposes of this subsection if the individual has been paid wages for insured work as required under subsection (e) of K.S.A. 44-705 and amendments thereto. Whenever a week of unemployment overlaps two benefit years, such week shall, for the purpose of granting waiting-period credit or benefit payment with respect thereto, be deemed to be a week of unemployment within that benefit year in which the greater part of such week occurs.

(e) “Commissioner” or “secretary” means the secretary of human resources.

(f) (1) “Contributions” means the money payments to the state employment security fund which are required to be made by employers on account of employment under K.S.A. 44-710 and amendments thereto, and voluntary payments made by employers pursuant to such statute.

(2) “Payments in lieu of contributions” means the money payments to the state employment security fund from employers which are required to make or which elect to make such payments under subsection (e) of K.S.A. 44-710 and amendments thereto.
