AN ACT concerning the department of corrections and the criminal code recodification commission; amending K.S.A. 75-5208, 75-5209 and 75-52,111 and K.S.A. 2006 Supp. 21-4706, 21-4722 and 22-3717 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) On and after July 1, 2007, subject to the provision of appropriation acts, the secretary of corrections shall develop and implement a grant program with the goal of increasing public safety, reducing the risk of offenders on community supervision and reducing each community corrections program’s revocation rate by at least 20% from such program’s fiscal year 2006 revocation rate. Any county or counties operating community correctional services may apply for the grant. The program shall give priority to a county or counties in which the revocation rate for offenders on community supervision is significantly higher than the statewide average, which target a higher percentage of revocation reductions than the required minimum of 20% or which target the successful reentry of offenders who are considered medium or high risk for revocation.

(b) The secretary shall adopt grant requirements in accordance with this section. Proposals for grants under this program shall include, but not be limited to, provisions to:

(1) Target offenders at medium and high risk for revocation utilizing risk assessment instruments approved by the secretary;
(2) reduce and specialize caseloads for community corrections officers;
(3) provide the offenders with the needed supervision and services to improve such offenders’ opportunity to successfully complete community correctional services programs, resulting in a reduction in revocations to prison. Such services may include, but not be limited to, employment training and placement, educational assistance, transportation and housing. Such services shall be evidence-based and address offenders’ criminogenic risks, needs and responsivity characteristics;
(4) use an intermediate sanctions community supervision model;
(5) provide staff training and skill development for community corrections officers in risk reduction and intervention. Such training and development shall be approved and certified by the secretary;
(6) utilize treatment options, including substance abuse treatment, mental health treatment, and cognitive and behavioral programs for offenders. For identified need areas, approved assessment and evaluation instruments should be utilized to ensure offender placement into appropriate levels of treatment and intervention;
(7) use gang intervention strategies;
(8) address safety concerns of the community;
(9) implement a method of tracking and reporting revocations;
(10) establish a goal of reducing the number of offenders, by a specified percentage, whose supervision is revoked and the offender sentenced to prison by providing: (A) A plan to reduce the revocation rate for offenders on community supervision by at least 20% from such program’s fiscal year 2006 revocations rate; (B) a plan to reduce the revocation rate at a percentage greater than the 20% minimum established to receive such grants; or (C) a plan which targets the successful reentry of offenders who are considered medium or high risk for revocation;
(11) develop a specific accountability system for monitoring, tracking and utilizing the grant funds and to evaluate the effectiveness of the grant funds; and
(12) develop a consistent set of policies that will guide judges and community corrections officers in the supervision and revocation of offenders on community corrections supervision.

(c) The department of corrections shall establish a date for achieving goals based upon implementation time-lines and goals specific to each grant, which may include an overall reduction or a reduction for a specifically targeted population.

d) The department of corrections shall evaluate the programs which received a grant using a research-based process evaluation targeting the critical components of effective programs to ensure that the program is being delivered as such program was designed. Continued funding shall be contingent on the program meeting the established goals.

e) The secretary shall prepare a report which states the number of programs receiving grants pursuant to this section, specifically identifying
each program, summarizing the provisions of each program and the success of the program in reducing revocations. Such report shall be delivered to the governor, the secretary of the senate, the chief clerk of the house of representatives and the Kansas reentry policy council on or before the first day of the regular legislative session each year in which the grant program is funded.

(5) An inmate sentenced to imprisonment pursuant to K.S.A. 2006
Supp. 21-4643, and amendments thereto, committed on or after July 1, 2006, shall be eligible for parole after serving the mandatory term of imprisonment without deduction of any good time credits.

(c) (1) Except as provided in subsection (e), if an inmate is sentenced to imprisonment for more than one crime and the sentences run consecutively, the inmate shall be eligible for parole after serving the total of:

(A) The aggregate minimum sentences, as determined pursuant to K.S.A. 21-4608 and amendments thereto, less good time credits for those crimes which are not class A felonies; and

(B) an additional 15 years, without deduction of good time credits, for each crime which is a class A felony.

(2) If an inmate is sentenced to imprisonment pursuant to K.S.A. 2006 Supp. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, the inmate shall be eligible for parole after serving the mandatory term of imprisonment.

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the postrelease supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Early discharge from postrelease supervision is at the discretion of the parole board.

(vii) Persons convicted of crimes deemed sexually violent or sexually
motivated, shall be registered according to the offender registration act, K.S.A. 22-4901 through 22-4910, and amendments thereto.

(viii) Persons convicted of K.S.A. 21-3510 or 21-3511, and amendments thereto, shall be required to participate in a treatment program for sex offenders during the postrelease supervision period.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(2) As used in this section, "sexually violent crime" means:

(A) Rape, K.S.A. 21-3502, and amendments thereto;
(B) indecent liberties with a child, K.S.A. 21-3503, and amendments thereto;

(D) criminal sodomy, subsection (a)(2) and (a)(3) of K.S.A. 21-3505, and amendments thereto;
(E) aggravated criminal sodomy, K.S.A. 21-3506, and amendments thereto;
(F) indecent solicitation of a child, K.S.A. 21-3510, and amendments thereto;
(G) aggravated indecent solicitation of a child, K.S.A. 21-3511, and amendments thereto;
(H) sexual exploitation of a child, K.S.A. 21-3516, and amendments thereto;

(K) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, and amendments thereto, of a sexually violent crime as defined in this section.

"Sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the Kansas parole board may postpone the inmate’s parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate’s parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, and amendments thereto, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender’s conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the Kansas parole board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders
whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628 prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the Kansas parole board.

(g) Subject to the provisions of this section, the Kansas parole board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, for deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate’s crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim’s family if the family’s address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate’s crime or the victim’s family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim’s family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1983, the parole board will review the inmate’s proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate’s release date. Every inmate while on postrelease supervision shall remain
in the legal custody of the secretary of corrections and is subject to the
orders of the secretary.

(j) Before ordering the parole of any inmate, the Kansas parole board
shall have the inmate appear before either in person or via a video con-
ferencing format and shall interview the inmate unless impractical be-
cause of the inmate’s physical or mental condition or absence from the
institution. Every inmate while on parole shall remain in the legal custody
of the secretary of corrections and is subject to the orders of the secretary.
Whenever the Kansas parole board formally considers placing an inmate
on parole and no agreement has been entered into with the inmate under
K.S.A. 75-5210a, and amendments thereto, the board shall notify the
inmate in writing of the reasons for not granting parole. If an agreement
has been entered under K.S.A. 75-5210a, and amendments thereto, and
the inmate has not satisfactorily completed the programs specified in the
agreement, or any revision of such agreement, the board shall notify the
inmate in writing of the specific programs the inmate must satisfactorily
complete before parole will be granted. If parole is not granted only
because of a failure to satisfactorily complete such programs, the board
shall grant parole upon the secretary’s certification that the inmate has
successfully completed such programs. If an agreement has been entered
under K.S.A. 75-5210a, and amendments thereto, and the secretary of
corrections has reported to the board in writing that the inmate has sat-
factorily completed the programs required by such agreement, or any
revision thereof, the board shall not require further program participa-
tion. However, if the board determines that other pertinent information
regarding the inmate warrants the inmate’s not being released on parole.
the board shall state in writing the reasons for not granting the parole. If
parole is denied for an inmate sentenced for a crime other than a class A
or class B felony or an off-grid felony, the board shall hold another parole
hearing for the inmate not later than one year after the denial unless the
parole board finds that it is not reasonable to expect that parole would
be granted at a hearing if held in the next three years or during the interim
period of a deferral. In such case, the parole board may defer subsequent
parole hearings for up to three years but any such deferral by the board
shall require the board to state the basis for its findings. If parole is denied
for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not
later than three years after the denial unless the parole board finds that
it is not reasonable to expect that parole would be granted at a hearing if
held in the next 10 years or during the interim period of a deferral. In
such case, the parole board may defer subsequent parole hearings for up
to 10 years but any such deferral shall require the board to state the basis
for its findings.

(k) Parolees and persons on postrelease supervision shall be assigned,
upon release, to the appropriate level of supervision pursuant to the cri-
teria established by the secretary of corrections.

(l) The Kansas parole board shall adopt rules and regulations in ac-
cordance with K.S.A. 77-415 et seq., and amendments thereto, not in-
consistent with the law and as it may deem proper or necessary, with
respect to the conduct of parole hearings, postrelease supervision reviews,
revocation hearings, orders of restitution, reimbursement of expenditures
by the state board of indigents’ defense services and other conditions to
be imposed upon parolees or releasees. Whenever an order for parole or
postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an in-
mate or establishes conditions for an inmate placed on postrelease su-
pervision, the board:

(1) Unless it finds compelling circumstances which would render a
plan of payment unworkable, shall order as a condition of parole or post-
release supervision that the parolee or the person on postrelease super-
vision pay any transportation expenses resulting from returning the pa-
rolee or the person on postrelease supervision to this state to answer
criminal charges or a warrant for a violation of a condition of probation,
assignment to a community correctional services program, parole, con-
ditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or
postrelease supervision that the parolee or the person on postrelease su-
pervision make progress towards or successfully complete the equivalent
of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 2006 Supp. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the Kansas parole board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within 10 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for nondrug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 2006 Supp. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the Kansas parole board. When the board orders the parole of an inmate pursuant to this subsection, the board shall
order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the Kansas parole board or the court orders a person to be electronically monitored, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

The balance of the moneys paid to the secretary or the designated representative of the secretary shall be disbursed for the following purposes:
   (a) A designated minimum amount of that money paid to the secretary shall be returned to the state general fund or to the political subdivision, federal government or community-based center for such inmate's food and lodging or, if the inmate is participating in a private industry program other than work release, the minimum amount collected shall be deposited to the correctional industries fund;

Sec. 6. On and after July 1, 2007, K.S.A. 75-5293 is hereby amended to read as follows: 75-5293. In order to assist a county or group of cooperating counties which has established a corrections advisory board but which does not have a comprehensive plan which has been approved by the secretary of corrections and which requires financial aid to defray all or part of the expenses incurred by corrections advisory board members in discharging their official duties pursuant to K.S.A. 75-5299 and amendments thereto, the secretary of corrections, upon receipt of resolutions by the board or boards of county commissioners, or the administrative authority established by cooperating counties, certifying the need for and inability to pay such expenses, may pay quarterly to the county or counties...
an amount determined by the secretary, based on existing experience of other correctional advisory boards.

Sec. 7. On and after July 1, 2007, K.S.A. 75-52,111 is hereby amended to read as follows: 75-52,111. (a) On or before each July 1, the secretary of corrections shall determine annually the amount of the grant for the ensuing fiscal year for each county or group of counties which has qualified to receive grants as provided in this section.

(b) (1) For each county or group of counties entitled to receive grants prior to July 1, 1990, the secretary of corrections shall determine the amount of the grant for the ensuing fiscal year based on the fiscal year 1989 per capita costs of each county or group of counties and the budget request of each county or group of counties for additional grant money submitted to the secretary as provided by subpart (2). The per capita costs of each county or group of counties shall be determined by dividing the amount of the fiscal year 1989 grant of each county or group of counties by the number of individuals served by the community correctional services program of such county or group of counties during fiscal year 1989. Subject to the other provisions of the subsection, the amount of the ensuing fiscal year grant for a county or group of counties shall be an amount equal to the fiscal year 1989 per capita costs, or determined pursuant to this subsection, multiplied by the number of individuals to be served by the community correctional services program of each county or group of counties during the ensuing fiscal year. Except as provided in this subsection for reduction of a grant with respect to certain community correctional services, no grant for a county or group of counties which received a grant for fiscal year 1989 shall be less than the amount of the grant funds expended by the county or group of counties during fiscal year 1989, if such county or group of counties continues to serve, or is projected to serve, at least the same number of persons as served during fiscal year 1989 and continues to provide the same community correctional services as provided during fiscal year 1989, as provided by K.S.A. 75-5290 and amendments thereto. The secretary of corrections may reduce the grant of a county or group of counties from funds appropriated for that purpose in an amount determined by the secretary subject to limitations provided in this subsection. The determination to reduce the grant of a county or group of counties amount by the secretary shall be based on the following criteria: (1) Staffing levels exceed levels justified by active cases under supervision; (2) one-time expenditures such as renovation or construction costs, major equipment purchases or capital acquisitions were a factor in the fiscal year 1989 base; administrative costs were excessive; funded contracts for services remain unused for an unreasonable period of time; any unreasonable indirect costs were factored into or allowed in the fiscal year 1989 base; client numbers were reduced; caseload projections were supported by historical experience; excessive travel costs outside the program area were a factor in the fiscal year 1989 base; contracted services' costs factored into the fiscal year 1989 base are significantly higher than other programs of the department of corrections' experiences, and whether shrinkage factors, vacancy savings and turnover rates are relevant factors for consideration; and the comprehensive community corrections plan submitted to the secretary meeting the provisions of K.S.A. 75-5290, and amendments thereto. Except as provided in K.S.A. 75-52,105 and amendments thereto, the secretary may reduce a grant to a county or group of counties only at the time the county or group of counties submits its annual budget request to the secretary for determination of such county or group of counties annual grant amount as provided in this section as provided by K.S.A. 75-52,105, and amendments thereto, or due to changes in the availability of funds.

(2) As a part of such county or group of counties' budget request submitted to the secretary, the county or group of counties may request a higher grant amount than determined as provided in subpart (1) for new or expanded programs as provided in K.S.A. 75-52,105 and amendments thereto and increased amounts as determined in subpart (1) for inflationary costs. The secretary shall determine such additional grant amounts for such new or expanded programs based on existing experience of other programs offering similar programs.
(c) On or before July 1, 1990, each county or group of counties applying to receive a grant for the first time shall submit a budget request to the secretary. The secretary shall determine the amount of the grant for each county or group of counties based on existing experience of similar programs. For each fiscal year thereafter, the amount of the grant for each county or group of counties shall be determined as provided in subsection (b), except that the grant received by each county or group of counties pursuant to this subsection shall not be less than the amount of the grant received by such county or group of counties during the first year of operation, if such county or group of counties continues to serve at least the same number of persons as served during the first year of operation and continues to provide the same community correctional services as provided during the first year of operation, as provided by K.S.A. 75-5291 and amendments thereto. The per capita costs of such county or group of counties for the purposes of determining grants for ensuing fiscal years under this section shall be determined as provided in subsection (b), except that per capita costs shall be based on the first year of operation.

(d) All determinations of base year per capita costs pursuant to this section shall include all actual audited costs incurred for approved programs included without limitation as to fixed administrative costs.
