The provisions of this section shall apply to the estates of all decedents dying after December 31, 2006, but before January 1, 2010. The provisions of this section shall be part of and supplemental to the Kansas estate tax act.

Sec. 5. K.S.A. 2008 Supp. 79-3230 is hereby amended to read as follows: 79-3230. (a) The amount of income taxes imposed by this act shall be assessed within three years after the original return was filed, the tax as shown to be due on the return was paid or within one year after an amended return is filed, whichever is the later date, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. For purposes of this act any return filed before the 15th day of the fourth month following the close of the taxable year shall be considered as being filed on the 15th day of the fourth month following the close of the taxable year, and any tax shown to be due on the return and paid before the 15th day of the fourth month following the close of the taxable year shall be deemed to have been paid on the 15th day of the fourth month following the close of the taxable year.

(b) In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed, or a proceeding in court for collection of such tax may be begun at any time.

(c) No claim shall be allowed for credit or refund of overpayment of any tax imposed by this act unless filed by the taxpayer within three years from the date the original return was filed due, including any extension allowed pursuant to law, or two years from the date the tax claimed to be refunded or against which the credit is claimed was paid, whichever of such periods expires later, or if no return was filed by the taxpayer within two years from the date the tax claimed to be refunded or against which the credit is claimed was paid. Where the assessment of any income tax imposed by this act has been made within the period of limitation properly applicable thereto, such tax may be collected by distraint or by a proceeding in court, but only if begun within one year after the period of limitation as defined in this act.

(d) In case a taxpayer has made claim for a refund, the taxpayer shall have the right to commence a suit for the recovery of the refund at the expiration of six months after the filing of the claim for refund, if no action has been taken by the director of taxation.

(e) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for a refund, the director of taxation is authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations as defined in this act for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. A copy of all such agreements and extensions thereof shall be filed with the director of taxation within 30 days after their execution.

(f) Any taxpayer whose income has been adjusted by the federal internal revenue service or by the income tax collection agency of another state is required to report such adjustments to the consumer sales division of revenue by mail within 180 days of the date the federal or other state adjustments are paid, agreed to or become final, whichever is earlier. Such adjustments shall be reported by filing an amended return for the applicable taxable year and a copy of the federal or state revenue agent's report detailing such adjustments. In the event such taxpayer is a corporation, such report shall be by certified or registered mail.

Notwithstanding the provisions of subsection (a) or (c) of this section,
additional income taxes may be assessed and proceedings in court for collection of such taxes may be commenced and any refund or credit may be allowed by the director of taxation within 180 days following receipt of any such report of adjustments by the Kansas department of revenue, or within two years from the date the tax claimed to be refunded or credited was paid, whichever period expires later. No assessment shall be made nor any refund or credit shall be allowable under the provisions of this subsection except to the extent the same is attributable to changes in the taxpayer’s income due to adjustments indicated by such report. Failure by the taxpayer to comply with the provisions of this subsection shall not bar the Kansas department of revenue from assessing additional taxes or proceeding in court to collect such taxes.

(g) In the event of failure to comply with the provisions of this section, the statute of limitations shall be tolled. Failure by the taxpayer to comply with the requirements for filing returns shall toll the periods of limitation for the Kansas department of revenue to assess or collect taxes.

Sec. 6. K.S.A. 2008 Supp. 79-32,211 is hereby amended to read as follows: 79-32,211. In no event shall the total amount of credits allowed under this section exceed $3,750,000 for fiscal years 2010 and 2011. If the amount of such tax credit exceeds the qualified taxpayer’s income, privilege or premium tax liability for the year in which the qualified rehabilitation plan was placed in service, as defined by section 47(b)(1) of the federal internal revenue code and federal regulation section 1.48-12(f)(2), such excess amount may be carried over for deduction from such taxpayer’s income, privilege or premium tax liability in the next succeeding year or years until the total amount of the credit has been deducted from tax liability, except that no such credit shall be carried over for deduction after the 10th taxable year succeeding the taxable year in which the qualified rehabilitation plan was placed in service.

(b) As used in this section, unless the context clearly indicates otherwise:

(1) “Qualified expenditures” means the costs and expenses incurred by a qualified taxpayer in the restoration and preservation of a qualified historic structure pursuant to a qualified rehabilitation plan which are defined as a qualified rehabilitation expenditure by section 47(c)(2) of the federal internal revenue code;

(2) “Qualified historic structure” means any building, whether or not income producing, which is defined as a certified historic structure by section 47(e)(3) of the federal internal revenue code, is individually listed on the register of Kansas historic places, or is located and contributes to a district listed on the register of Kansas historic places;

(3) “Qualified rehabilitation plan” means a project which is approved by the cultural resources division of the state historical society, or by a local government certified by the division to so approve, as being consistent with the standards for rehabilitation and guidelines for rehabilitation of historic buildings as adopted by the federal secretary of interior and in effect on the effective date of this act. The society shall adopt rules and regulations providing application and approval procedures necessary to effectively and efficiently provide compliance with this act, and may col-
lect fees in order to defray its approval costs in accordance with rules and regulations adopted therefor; and

(4) "qualified taxpayer" means the owner of the qualified historic structure or any other person who may qualify for the federal rehabilitation credit allowed by section 47 of the federal internal revenue code. If the taxpayer is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability company, the credit provided by this section shall be claimed by the shareholders of such corporation, the partners of such partnership or the members of such limited liability company in the same manner as such shareholders, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability company, or as the corporation, partnership or limited liability company mutually agree as provided in the bylaws or other executed agreement. Credits granted to a partnership, a limited liability company taxed as a partnership or other multiple owners of property shall be passed through to the partners, members or owners respectively pro rata or pursuant to an executed agreement among the partners, members or owners documenting any alternate distribution method.

(c) Any person, hereinafter designated the assignor, may sell, assign, convey or otherwise transfer tax credits allowed and earned pursuant to subsection (a). The taxpayer acquiring credits, hereinafter designated the assignee, may use the amount of the acquired credits to offset up to 100% of its income, privilege or premiums tax liability for either the taxable year in which the qualified rehabilitation plan was first placed into service or the taxable year in which such acquisition was made. Unused credit amounts claimed by the assignee may be carried forward for up to five years, except that all such amounts shall be claimed within 10 years following the tax year in which the qualified rehabilitation plan was first placed into service. The assignor shall enter into a written agreement with the assignee establishing the terms and conditions of the agreement and shall perfect such transfer by notifying the cultural resources division of the state historical society in writing within 90 calendar days following the effective date of the transfer and shall provide any information as may be required by such division to administer and carry out the provisions of this section. The amount received by the assignor of such tax credit shall be taxable as income of the assignor, and the excess of the value of such credit over the amount paid by the assignee for such credit shall be taxable as income of the assignee.

Sec. 7. K.S.A. 2008 Supp. 79-32,258 is hereby amended to read as follows: 79-32,258. (a) Except as otherwise provided, for all taxable years commencing after December 31, 2006, a credit against the tax imposed by the Kansas income tax act shall be allowed for direct production expenditures made by an eligible film production company, except that such provisions shall be applicable for tax years 2009 and 2010. Such credit shall be in an amount equal to 30% of direct production expenditures made in Kansas that are directly attributable to the production of a film in Kansas and that have been awarded by the department of revenue. The tax credit shall be deducted from the eligible film production company's income tax liability for the taxable year in which the expenditures are made by the eligible film production company. If the amount of the film production tax credit allowed exceeds the film production company's income tax liability for the taxable year, the taxpayer may carry over the amount thereof that exceeds such tax liability for deduction from the taxpayer's income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried over for deduction after the third taxable year succeeding the year in which the costs are incurred. If the eligible film production company is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability entity, the credit provided by this section shall be claimed by the shareholders of such corporation, the partners of such partnership or the member of such limited liability entity in the same manner as such shareholder, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability entity.

(b) A long-form narrative film production for which the film produc-
tion tax credit is claimed shall contain an acknowledgment that the pro-
duction was filmed in Kansas.

(c) To be eligible for the film production tax credit, a film production
company shall submit to the department of commerce information re-
quired by the department to demonstrate conformity with the require-
ments of this act. Information supplied shall include expected direct pro-
duction expenditures to be made in Kansas with respect to the film
production for which the film production company is seeking the film
production tax credit. The department of commerce may reserve a tax
credit amount based upon the expected direct production expenditures.
The department of commerce shall determine the eligibility of the com-
pany and shall certify this information to the department of revenue in a
manner and at times the department of commerce and department of
revenue shall agree upon.

(d) To receive a film production tax credit, a film production company
shall apply to the department of revenue on forms and in the manner the
department may prescribe. The application shall include a certification of
the amount of direct production expenditures made in Kansas with re-
spect to the film production for which the film production company is
seeking the film production tax credit. The department of revenue may
award a film production tax credit based on the application submitted
and the amount of tax credit reserved by the department of commerce.
Upon approval of the application and the awarding of the tax credit the
department of revenue shall certify to the film production company and
the department of commerce the amount of the tax credit awarded.

(e) The secretary of commerce and the secretary of revenue are
hereby authorized to adopt rules and regulations to implement and ad-

chased for the project, and upon payment thereof it may recover the same
from the contractor together with reasonable attorney fees. Any contrac-
tor or any agent, employee or subcontractor thereof, who shall use or

the payment of the sales or compensating tax otherwise imposed upon
such materials, shall be guilty of a misdemeanor and, upon conviction
therefore, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto.

Sec. 9. K.S.A. 2008 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director’s duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer’s possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith. Otherwise, the sales shall be deemed to be taxable sales under this act.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after three years from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and, except as otherwise provided in K.S.A. 2008 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claims for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2008 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2008 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days.
after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2008 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.

d) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding $10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled In re appeal of Water District No. 1 of Johnson county shall be allowed in tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to Water District No. 1 of Johnson county.

Sec. 10. K.S.A. 2008 Supp. 79-4502 is hereby amended to read as follows: 79-4502. As used in this act, unless the context clearly indicates otherwise:

(a) "Income" means the sum of adjusted gross income under the Kansas income tax act, maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including but not limited to, all payments received under the railroad retirement act, except disability payments, payments received under the federal social security act, except that for determination of what constitutes income such amount shall not exceed 50% of any such social security payments and shall not include any social security payments to a claimant who prior to attaining full retirement age had been receiving disability payments under the federal social security act in an amount not to exceed the amount of such disability payments or 50% of any such social security payments, whichever is greater, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of "loss of time" insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not include veterans disability pensions. Income does not include disability payments received under the federal social security act.

(b) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as husband and wife who together occupy a homestead.

(c) "Household income" means all income received by all persons of a household in a calendar year while members of such household.

(d) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a
manufactured home or mobile home and the land upon which it is situated. “Owned” includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) “Claimant” means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (1) A person having a disability; (2) a person who is 55 years of age or older; (3) a disabled veteran; (4) the surviving spouse of active duty military personnel who died in the line of duty; or (5) a person other than a person included under (1) or (2), (3) or (4) having one or more children under 18 years of age residing at the person’s homestead during the calendar year immediately preceding the year in which a claim is filed under this act. The surviving spouse of a disabled veteran who was receiving benefits pursuant to subsection (e)(3) of this section at the time of the veterans’ death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) “Property taxes accrued” means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant’s homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant’s household, “property taxes accrued” is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant’s household. For purposes of this act, property taxes are “levied” when the tax roll is delivered to the local treasurer with the treasurer’s warrant for collection. When a claimant and household own their homestead part of a calendar year, “property taxes accrued” means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant’s household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word “unit” refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) “Disability” means:

(1) Inability to engage in any substantial gainful activity by reason of an medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual’s previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), “work which exists in the national economy” means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a “physical or mental impairment” is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or
(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of 20/200 or less.

(i) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2007 or any taxable year thereafter by a claimant and claimant's household solely for the right of occupancy of a Kansas homestead on which ad valorem property taxes were levied in full for that year. When a household occupies two or more different homesteads in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the household while occupied by the household as its homestead during the year.

(j) "Gross rent" means the rental paid at arm's length solely for the right of occupancy of a homestead or space rental paid to a landlord for the parking of a mobile home, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arms length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purposes of the claim.

(k) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.

Sec. 12. This act shall take effect and be in force from and after its publication in the Kansas register.
