The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:
 Heavenly Father,
   I have taken the liberty of paraphrasing the twenty-third Psalm, the most
   recognized chapter in the book of Psalms, in order to personalize the life of a
   legislator.

   The Lord is my provider, I shall not want.
   He makes me to lie down when I want to go faster.
   He leads me to be still to avoid being out of order.
   He restores my soul.
   He leads me in the path of doing right for His name’s sake.
   Yea, though I walk or ride through the valley of opposition in my district,
   I will fear no surprises, for You walk or ride with me.
   My God, and my staff, they comfort me.
   You prepare a table of eggs and bacon before me in the presence of my constituency.
   My coffee cup runs dry over and over.
   Hopefully goodness and mercy shall follow me all through the session,
   And I shall dwell in the House or Senate for another term.
   I pray in the name of Jesus Christ.
   AMEN

Mr. President: I vote no on Sub SB 370 because the bill does not provide a positive business structure for small wineries to sell their products directly to consumers. EXPLANATION OF VOTE

MR. PRESIDENT: I again reluctantly vote “Aye” on this issue on SB 418. Although I believe it’s hypocritical to preach Peace/Non-Violence to our children and come home from work or even still, ridiculously enough, from church unbuckling shoulder harnesses and unloading purses...statistically, there are already a bunch of folks in my District and in your Districts (otherwise law-abiding citizens)...single parents; small business owners; even some seniors...who are already carrying weapons concealed in their pant leg or their waistband or their handgun or the car glove box.

Many have contacted me expressing their desire to be “legal.” Many others want to learn; to train; to license and to carry. With Missouri on my direct Eastern border...all of us feel uncertain and even threatened by the continuing lack of clarity in that state’s CCW laws and the effect on Kansas. Although, I personally believe that SB 418 might represent more of a danger to our society than an assurance of greater public safety, today I again respond with a vote of “Aye” to ease the anxiety of these fearful, but vocal, few.—DAVID HALEY
