Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 75-4101 is hereby amended to read as follows: 75-4101. (a) There is hereby created a committee on surety bonds and insurance, which shall consist of the state treasurer, the attorney general and the commissioner of insurance or their respective designees. The commissioner of insurance shall be the chairperson of the committee and the director of purchases or the director’s designee shall be ex officio secretary. The committee shall meet on call of the chairperson and at such other times as the committee shall determine but at least once each month on the second Monday in each month. Meetings shall be held in the office of the commissioner of insurance. The members of the committee shall serve without compensation. The secretary shall be the custodian of all property, records and proceedings of the committee. Except as provided in subsections (b) and (c) and in K.S.A. 74-4925 and 74-4927, and amendments thereto, and in K.S.A. 75-6501 to 75-6511, inclusive, and amendments thereto, and in this section and K.S.A. 74-4925, 74-4927, 75-6501 through 75-6511 and K.S.A. 76-749, and amendments thereto, no state agency shall purchase any insurance of any kind or nature or any surety bonds upon state officers or employees, except as provided in this act. Except as otherwise provided in this section, health care coverage and health care services of a health maintenance organization for state officers and employees designated under subsection (c) of K.S.A. 75-6501, and amendments thereto, shall be provided in accordance with the provisions of K.S.A. 75-6501 to 75-6511, inclusive through 75-6511, and amendments thereto.

(b) The Kansas turnpike authority may purchase group life, health and accident insurance or health care services of a health maintenance organization for its employees or members of the highway patrol assigned, by contract or agreement entered pursuant to K.S.A. 68-2025, and amendments thereto, to police toll or turnpike facilities, independent of the committee on surety bonds and insurance and of the provisions of K.S.A. 75-6501 to 75-6511, inclusive through 75-6511, and amendments thereto. Such authority may purchase liability insurance covering all or any part of its operations and may purchase liability and related insurance upon all vehicles owned or operated by the authority independent of the committee on surety bonds and insurance and such insurance may be purchased without complying with K.S.A. 75-3738 to 75-3744, inclusive through 75-3744, and amendments thereto. Any board of county commissioners may purchase such insurance or health care services, independent of such committee, for district court officers and employees any part of whose total salary is payable by the county. Nothing in any other provision of the laws of this state shall be construed as prohibiting members of the highway patrol so assigned to police toll or turnpike facilities from receiving compensation in the form of insurance or health maintenance organization coverage as herein authorized.

(c) The agencies of the state sponsoring a foster grandparent or senior companion program, or both, shall procure a policy of accident, personal liability and excess automobile liability insurance insuring volunteers participating in such programs against loss in accordance with specifications of federal grant guidelines. Such agencies may purchase such policy of insurance independent of the committee on surety bonds and insurance and without complying with K.S.A. 75-3738 to 75-3744, inclusive through 75-3744, and amendments thereto.

(d) Any postsecondary educational institution as defined by K.S.A. 74-3201b, and amendments thereto, may purchase insurance of any kind or nature except employee health insurance. Such insurance shall be purchased on a competitively bid or competitively negotiated basis in accordance with procedures prescribed by the state board of regents. Such insurance may be purchased independent of the committee on surety bonds and insurance and without complying with K.S.A. 75-3738 through 75-3744, and amendments thereto. Such insurance shall be purchased
from an insurance company authorized to transact business in the state of Kansas.

(e) The state board of regents may enter into one or more group insurance contracts to provide health and accident insurance coverage or health care services of a health maintenance organization for all students attending a state educational institution as defined in K.S.A. 76-711, and amendments thereto, and such students’ dependents, except that such insurance shall not provide coverage for elective procedures that are not medically necessary as determined by a treating physician. The participation by a student in such coverage shall be voluntary. In the case of students who are employed by a state educational institution in a student position, the level of employer contributions toward such coverage shall be determined by the board of regents. The board of regents may adopt rules and regulations necessary to administer and implement the provisions of this section.

Sec. 2. K.S.A. 2005 Supp. 75-6501 is hereby amended to read as follows: 75-6501. (a) Within the limits of appropriations made or available therefor and subject to the provisions of appropriation acts relating thereto, the Kansas state employees health care commission shall develop and provide for the implementation and administration of a state health care benefits program.

(b) The state health care benefits program may provide benefits for persons qualified to participate in the program for hospitalization, medical services, surgical services, nonmedical remedial care and treatment rendered in accordance with a religious method of healing and other health services. The program may include such provisions as are established by the Kansas state employees health care commission, including but not limited to qualifications for benefits, services covered, schedules and graduation of benefits, conversion privileges, deductible amounts, limitations on eligibility for benefits by reason of termination of employment or other change of status, leaves of absence, military service or other interruptions in service and other reasonable provisions as may be established by the commission.

(c) The Kansas state employees health care commission shall designate by rules and regulations those persons who are qualified to participate in the state health care benefits program, including active and retired public officers and employees and their dependents as defined by rules and regulations of the commission. Such rules and regulations shall not apply to students attending a state educational institution as defined in K.S.A. 76-711, and amendments thereto, who are covered by insurance contracts entered into by the board of regents pursuant to K.S.A. 75-4101, and amendments thereto. In designating persons qualified to participate in the state health care benefits program, the commission may establish such conditions, restrictions, limitations and exclusions as the commission deems reasonable. Such conditions, restrictions, limitations and exclusions shall include the conditions contained in subsection (d) of K.S.A. 75-6506, and amendments thereto. Each person who was formerly elected or appointed and qualified to an elective state office and who was covered immediately preceding the date such person ceased to hold such office by the provisions of group health insurance or a health maintenance organization plan under the law in effect prior to August 1, 1984, or the state health care benefits program in effect after that date, shall continue to be qualified to participate in the state health care benefits program and shall pay the cost of participation in the program as established and in accordance with the procedures prescribed by the commission if such person chooses to participate therein.

(d) The state health care benefits program established under this act shall be effective on and after August 1, 1984.

(e) Nothing in this act shall be construed to permit the Kansas state employees health care commission to discontinue the student health care benefits component of the state health care benefits program until the state board of regents has contracts in effect that provide student coverage pursuant to the authority granted therefor in K.S.A. 75-4101, and amendments thereto.
