

MEDIA RELEASE

Thursday, July 22, 2004

On July 22, 2004, at the request of the Sumner County Sheriff's Office, the Kansas Bureau of Investigation initiated an investigation into the death of an inmate at the Sumner County Jail in Wellington. Autopsy reports are pending and no additional information is available at this time. Results of the KBI investigation will be provided to the offices of Sumner County Sheriff and Sumner County Attorney upon completion.
