Minutes of the Meeting:

1. The KORWG meeting was called to order by Sheila Wacker, Chair. Introductions were made by those in attendance.

2. It was announced that Jessica Dultmeier has been promoted to supervisor of the Registration Unit at the KBI.

3. KBI Director Kirk Thompson was introduced and provided those in attendance with a Proposal for Reorganization (attached).
4. KORWG structure and Bi-Laws were discussed.

   a. Kansas Open Meetings Act (KOMA)
      Must be compliant with the KOMA, with meetings open to the public and notice of
      KORWG meetings provided to those requesting the same.
      *(Frequently Asked Questions about the KOMA, Kansas Attorney General Derek

   b. Communication
      Communication to and from the various CEOs (commissioners, directors, agency/organization/department heads…) through KORWG members, must take place in order to improve the decision making process.

   c. Restructuring the KORWG
      - Focus on core agency members as being the actual organization
      - KORWG consists of 10 core organizations
      - Send out agenda; maintain a list of those persons/organizations wanting to be notified of meeting dates/times
      - Formalize and post meeting minutes
      - Adopt Robert’s Rules of Order (see attached for summary or Robert’s Rules
        Online [http://www.rulesonline.com/rror--00.htm](http://www.rulesonline.com/rror--00.htm))
      - Have formal votes
      - Be transparent and professional in what we do
      - It is up to the KORWG to determine whether to expand the group or not

   d. Legislative Changes to the KORA
      - The KORWG is an advisory group and has no legal authority to request legislative changes to the KORA. It is inappropriate to request legislative changes to the KORA directly.
      - Any recommended changes to the KORA should be made by the agency/organization/association head which is seeking such changes, with that agency/organization/association member taking the lead.

   e. Core Membership
      Core members should consist of those persons who have agreed to represent their agency/organization, be responsible for attending KORWG meetings and communicate information obtained from such meetings to their agency/organization head.

Discussion:
   a. It was recommended that more Sheriff’s Departments be involved with the KORWG as core members.
b. Instead of having representatives of small, medium and large Sheriff’s Departments, core members should consist of Sheriff’s Departments from the various regions of Kansas.

c. The group would like to see western Kansas become more involved and provide them the opportunity in participating in KORWG meeting via webinars or telephone conference, and it was recommended we send out a survey or otherwise determine who has access to attend meetings via a webinar or telephone conference.

d. Western Kansas could be represented at the KORWG, through a core member who represents a small group (3-4) of western counties.

e. Notice of upcoming meetings needs to be provided and it was recommended the notice of meetings, agenda and meeting minutes be posted on the KCJIS or KBI website.

f. Meeting minutes should not include “he said”/”she said” comments.

5. House and Senate amendments to the Kansas Offender Registration Act: HB 2209

http://www.kslegislature.org/li/b2013_14/measures/hb2209/

a. Amend the effective dates for registration requirements to reflect when various types of offenses originally were codified.

b. Correct inaccurate statutory reference to the crime of aggravated incest.

c. Persons convicted of involuntary manslaughter while driving under the influence (DUI) are not required to register.

d. Definition of drug offender changed to those persons convicted on or after July 1, 2007; drug offenders convicted prior to July 1, 2007 do not have to register.

e. Change to correctional facility or registering law enforcement agency designee responsibilities for any offender being discharged, paroled, furloughed or released on work or school release that does not require the daily return to a correctional facility.

f. Registration/updated registration forms for offenders in the custody of a correctional facility shall be sent, within three business day, to the registering law enforcement agency where the offender is incarcerated, maintains employment or attends school and to the KBI.

g. Adopted language concerning penalties for failure to pay registration fees proposed by the Kansas Sheriffs Association, making failure to remit full payment within 15 days of registration a class A misdemeanor and a severity level 9 person felony if, within 15 days of the most recent registration, two or more full payments have not been remitted to the sheriff’s office. Violations are subject to prosecution.
Discussion:

a. It was noted that there appears to be a duplication of notification as the KORA requires an offender to send notice to both the KBI and Sheriff’s Department. Why are both notified when the Sheriff’s Departments receive a teletype with updated registration information?

   It was suggested that the notification to the Sheriff’s Department be removed from the registration update notification requirement since the KBI notifies them via teletype or in the alternative remove the registration requirement of notifying the KBI with updated information, since the Sheriff’s Department is currently required to notify the KBI.

b. Other Sheriff’s Departments commented that they like to know the registered offenders in their county and want to have them register in person at the Sheriff’s Department.

c. It was stated that often the age of the victim is not included in the court’s sentencing order. It was recommended OJA be contacted to see if the victim’s age could be included in the forms generated by the Kansas Judicial Council.

6. KSORT Update:

   a. NCIC part is currently being tested.
   b. KSORT interface with Offender watch remains pending; Sheriff’s Departments, Department of Corrections are first to get trained and using KSORT.
   c. Will have a better idea of duplication of notice /information once KSORT is up and running.

PRIOR TO NEXT MEETING:

Please provide Jessica Dultmeier with comments/recommendations from your department/agency/organization as to the proposed restructuring of the KORWG (see attached handout) prior to our next meeting.

Next meeting date and time: June 19 @ 1:00 pm
