**K.A.R. 69-1-10 – Potentially disqualifying civil and criminal records; advisory opinion; fee.** This new regulation identifies and defines any potentially disqualifying civil and criminal records that may disqualify an applicant from receiving a license in the professions regulated by the Kansas Board of Cosmetology. The regulation

provides for an advisory opinion prior to application for licensure for an amount of \$50 to state if there is a disqualifying civil or criminal record that would disqualify such applicant from licensure.

**Economic Impact.** The Board anticipates that there should be little, if any, economic impact to State and local governments due to this regulation.

Article 4.—INSTANT GAMES AND DRAWINGS

**111-4-3537. “Extreme Crossword” instant ticket lottery game number 789.** (a) The Kansas lottery may conduct an instant winner lottery game entitled “Extreme Crossword.” The rules for this game are contained in K.A.R. 111-3-1 *et seq.* and 111-4-3537.

(b) The “play symbols” for this game are as follows: A–B–C–D–E–F–G–H–I–J–K–L–M–N–O–P–Q–R–S–T–U–V–W–X–Y–Z. There are no “play symbol captions” in this game.

The “prize symbols” and “captions” for this game are as follows:

Prize Symbols	Captions
20 <sup>00</sup>	TWENTY
30 <sup>00</sup>	THIRTY

(c) For this game, a play symbol shall appear in each of 20 play spots within the “CALL LETTERS” play area, in each of six play spots within each “BONUS WORD” play area, in two play spots in the “BONUS WORD PRIZE” area, and a variable number of times within the crossword puzzle grid.

(d) The ticket numbers in each book of tickets in this game shall start with 000 and end with 014.

(e) The price of instant tickets sold by a retailer for this game shall be \$20.00 each.

(f) The “Extreme Crossword” game is a two-sided crossword game with six separate play areas. The play areas include “CALL LETTERS,” “PUZZLE 1,” “PUZZLE 2,” “PUZZLE 3,” “BONUS WORD1,” and “BONUS WORD 2.” The player will scratch the “CALL LETTERS” play area to reveal 20 “CALL LETTERS.” The player will then match each “CALL LETTER” with the corresponding letters in all three Crossword Puzzles and in both “BONUS WORD” play areas by removing the translucent scratch-off material covering the matching letter. If a player scratches three or more completed words in any puzzle, the player wins the corresponding prize shown in the prize legend associated with each crossword puzzle. Only the highest corresponding prize can be won for each puzzle. Each puzzle plays separately. If a player scratches the entire “BONUS WORD,” the player wins the corresponding prize shown in the “BONUS WORD PRIZE” box for that “BONUS WORD.” The entire “BONUS WORD” must be uncovered to win the corresponding prize.

**69-1-10. Potentially disqualifying civil and criminal records; advisory opinion; fee. (a)**

Conviction of any felony may disqualify an applicant from receiving a license.

(b) Civil records that may disqualify an applicant from receiving a license shall be any records of any court judgment or settlement in which the applicant admitted or was found to have engaged in conduct that would constitute a violation of any practice act under the jurisdiction of the board or any of the board's regulations. Those records shall not be used to disqualify an applicant for more than five years after the applicant satisfied any judgment or restitution ordered by the court or agreed to in the settlement.

(c) Any individual with a criminal or civil record described in this regulation may submit a petition to the board for an informal, advisory opinion concerning whether the individual's civil or criminal record may disqualify the individual from licensure. Each petition shall include the following:

**I. Brief description of the proposed rule(s) and regulation(s).**

K.A.R. 69-1-10 identifies and defines any potentially disqualifying civil and criminal records that may disqualify an applicant from receiving a license in the professions regulated by the Kansas Board of Cosmetology. The regulation provides for an advisory opinion prior to application for licensure for an amount of \$50 to state if there is a disqualifying civil or criminal record that would disqualify such applicant from licensure.

**II. Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. (If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)**

The proposed regulation aligns with Federal regulation of public employment in Title VII of the Civil Rights Act, which has no general limitation on licensure.

Rules and regulations of contiguous states are similar in nature with little or no difference in the approach in this proposed regulation.

**III. Agency analysis specifically addressing following:**

**A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;**

N/A

**B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;**

Compliance cost for individuals requesting the pre-approval process would increase by \$50. The state economy would increase by \$5 per individual request based on the 10% of agency revenue that is submitted to the SGF. The average potential individuals requesting this review is projected to be approximately 10 per year, generating \$50 per year toward the state economy as a whole.

**C. Businesses that would be directly affected by the proposed rule and regulation;**

N/A

**D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;**

Benefit to the applicant affected by the proposed rule(s) and regulation(s) include a preliminary review by the KBOC staff to determine if the applicant would be licensed immediately upon application or would have to submit additional felon-related information and possibly come before the disciplinary review panel prior to approval for licensure.

The KBOC would benefit by the receipt of an additional fee of \$50 per applicant to conduct the review process. There would be no additional cost to the agency; the agency currently conducts the same felony review process as part of the application process that would be conducted on request of the preview.

**E. Measures taken by the agency to minimize the cost and impact of the proposed rule(s) and regulation(s) on business and economic development within the State of Kansas, local government, and individuals;**

Impact for individuals requesting pre-approval is the avoidance of application denial and obfuscation of their consideration for licensure.

**F. An estimate, expressed as a total dollar figure, of the total annual implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.**

\$500 – The KBOC would not incur any additional implementation and compliance costs because the agency already processes felony applications in the same manner described in the proposed rule(s) and regulation(s). No costs would be passed along to business or local governments. Members of the public requesting pre-approval for this licensure process would incur \$50 per individual with an annual projection of approximately \$500.

**An estimate, expressed as a total dollar figure, of the total implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.**

\$0

**Do the above total implementation and compliance costs exceed \$3.0 million over any two-year period?**

YES  NO

**Give a detailed statement of the data and methodology used in estimating the above cost estimate.**

N/A

**Prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing if the total implementation and compliance costs exceed \$3.0**

million over any two-year period to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? If applicable, document when the public hearing was held, those in attendance, and any pertinent information from the hearing.

YES  NO

- G. If the proposed rule(s) and regulation(s) increases or decreases revenues of cities, counties or school districts, or imposes functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability, describe how the state agency consulted with the League of Kansas Municipalities, Kansas Association of Counties, and/or the Kansas Association of School Boards.**

N/A

- H. Describe how the agency consulted and solicited information from businesses, associations, local governments, state agencies, or institutions and members of the public that may be affected by the proposed rule(s) and regulation(s).**

The agency conducted an online search of consideration of criminal records on licensing and employment through this site (<https://ccresourcecenter.org/state-restoration-profiles/50-state-comparisoncomparison-of-criminal-records-in-licensing-and-employment/>)

The agency does not believe that businesses, associations, local governments, state agencies, or institutions and members of the public may be affected by the proposed rule(s) and regulation(s). Only individuals would be affected as to whether or not they would be approved for licensure immediately upon application submission.

- I. For environmental rule(s) and regulation(s) describe the costs that would likely accrue if the proposed rule(s) and regulation(s) are not adopted, as well as the persons would bear the costs and would be affected by the failure to adopt the rule(s) and regulation(s).**
