

Below is a tentative schedule of Kansas Real Estate Appraisal Board meetings for the period August, 2016 through June, 2017. **Be aware**, these dates can change without public notice. Meetings are held either on-site in Topeka or via conference call.

Appraisers may attend a Board meeting and receive CE credit for same **once** during each education cycle, with the following restrictions:

- The meeting must be a minimum of two (2) hours in length and appraiser must be in attendance during the entire meeting. It is always recommended that you contact the Board office the week before to confirm that there has been no change to date, time, or location and staff will let you know if it is anticipated that the meeting will not last the two (2) full hours.
- If the meeting is being held via conference call, you will (a) need to be present at the Board office to attend; or (b) have made arrangements with the Board staff to set up a monitored location to call in. Again, the meeting must be a minimum of two (2) hours in length and the appraiser must be in attendance during the entire meeting.

On-site Board Meetings are held at Jayhawk Tower, 700 SW Jackson, Senate Room, Topeka, Kansas.
