AGENCY ORDER

DEBRA G. KRUEGER (the "Respondent") is currently authorized to function as a pharmacy technician in the State of Kansas by reason of the Kansas Board of Pharmacy (the "Board") having issued her Registration No. 14-00864.

It has come to the attention of the Board's Investigation Member that Respondent has been caught and admitted to diverting drugs, including controlled substances, from her employer. The Respondent admitted to taking drugs for herself and giving a controlled substance to a third party.

After considering the foregoing, the Board's Investigation Member, in accordance with the authority granted to her by the Board, enters the following agency order.

**I. FINDINGS OF FACT**

For purposes of this order, the Board's Investigation Member makes the following findings of fact:

1. The Board has previously issued Respondent Registration No. 14-00864 which entitled her to function as a pharmacy technician in the State of Kansas ("Respondent's Registration").

2. The Respondent has been caught and admitted to diverting drugs, including controlled substances, from her employer and providing drugs to a third party.

## II. CONCLUSIONS OF LAW AND FACT

For purposes of this order, the Board's Investigation member makes the following conclusions of law and fact:

1. That the Respondent was originally issued a registration number on October 6, 2004 pursuant to K.S.A. 65-1663.
2. That pursuant to K.S.A. 65-1663 (f) the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.
3. That the Board may take action against the license of a pharmacist for violating any provision of the pharmacy act of the state of Kansas or any rules and regulations adopted by the board. K.S.A. 65-1627(8).
4. That the Respondent filled a prescription for Lipitor and gave it to a third party. The third party did not have a prescription for the drug and no one paid for the prescription. The value of the Lipitor was \$120.78. The Respondent also filled a Tylenol #4 prescription for a friend and then voided the record. The value of the Tylenol #4 was \$65.54. The Respondent admitted to providing other prescription drugs to third parties who did not have a valid prescription. The acts committed by Respondent are a basis for discipline of

Respondent's Registration pursuant to the Pharmacy Act, including K.S.A. 65-1626; K.S.A. 65-1626a; K.S.A. 65-1635; K.S.A. 65-1636; K.S.A. 65-1637; and K.S.A. 65-1646.

## II. ORDER

Based upon the foregoing findings and conclusions, Respondent's Registration is hereby revoked.

## III. NOTICES
