The tax shall be collected and paid to the director as provided in this act. If the alcoholic liquor or cereal malt beverage is manufactured and sold in this state or a federal area, the tax shall be paid by the manufacturer, microbrewery or farm winery producing it. If the alcoholic liquor or cereal malt beverage is imported into this state by a distributor for the purpose of sale at wholesale in this state or a federal area, the tax shall be paid by the distributor, and in no event shall such tax be paid by the manufacturer unless the alcoholic liquor or cereal malt beverage is manufactured in this state. If not to exceed one gallon, or metric equivalent, per person of alcoholic liquor has been purchased by a private citizen outside the borders of the United States and is brought into this state by the private citizen in such person’s personal possession for such person’s own personal use and not for sale or resale, such import is lawful and no tax payment shall be due thereon.

(c) Manufacturers, microbreweries, farm wineries or distributors at wholesale of alcoholic liquor or cereal malt beverage shall be exempt from the payment of the gallonage tax imposed on alcoholic liquor and cereal malt beverage, upon satisfactory proof, including bills of lading furnished to the director by affidavit or otherwise as the director requires, that the liquor or cereal malt beverage was manufactured in this state but was shipped out of the state for sale and consumption outside the state.

(d) Wines manufactured or imported solely and exclusively for sacramental purposes and uses shall not be subject to the tax provided for by this section.

(e) The tax provided for by this section is not imposed upon:

an occupation or privilege tax on the business of any person, firm or
corporation licensed as a manufacturer, distributor, microbrewery, farm
winery, retailer or nonbeverage user under this act and doing business
within the boundaries of the city except as specifically authorized by
K.S.A. 41-310, and amendments thereto.

(i) The director shall collect the taxes imposed by this section and
shall account for and remit all moneys collected from the tax to the state
treasurer in accordance with the provisions of K.S.A. 75-4215, and
amendments thereto. Upon receipt of each such remittance, the state
treasurer shall deposit the entire amount in the state treasury and the
state treasurer shall credit 1/10 of the moneys collected from taxes imposed
upon alcohol and spirits under subsection (b)(1) to the community alco-
holism and intoxication programs fund created by K.S.A. 41-1126, and
amendments thereto, and shall credit the balance of the moneys collected
to the state general fund.

(j) If any alcoholic liquor manufactured in or imported into this state
is sold to a licensed manufacturer or distributor of this state to be used
solely as an ingredient in the manufacture of any beverage for human
consumption, the tax imposed upon the manufacturer or distributor shall
be reduced by the amount of the taxes which have been paid under this
section as to the alcoholic liquor so used.

(k) The tax provided for by this section is not imposed upon alcohol
or wine used by any school or college for scientific, chemical, experimen-
tal or mechanical purposes or by hospitals, sanitoria or other institutions
caring for the sick. Any school, college, hospital, sanatorium or other
institution caring for the sick may import alcohol or wine for scientific,

plication to the director for a permit to import it and receiving such a
permit. Application for the permit shall be on a form prescribed and
furnished by the director, and a separate permit shall be required for
each purchase of alcohol or wine. A fee of $2 shall accompany each ap-
plication. All permits shall be issued in triplicate to the applicant and shall
be under the seal of the office of the director. Two copies of the permit
shall be forwarded by the applicant to the microbrewery, farm winery,
manufacturer or distributor from which the alcohol or wine is purchased,
and the microbrewery, farm winery, manufacturer or distributor shall
return to the office of the director one copy of the permit with its shipping affidavit and invoice. (1) Traveler’s check, 15 years after its issuance;

(2) money order, seven years after issuance;

(3) except as provided in K.S.A. 58-3943, and amendments thereto,

date of the last indication by the owner of interest in the property, except
that a deposit that is automatically renewable is deemed matured for

consent is in writing or is evidenced by a memorandum or other record
on file with the holder;

(6) money or credits owed to a customer as a result of a retail business
transaction, five years after the obligation accrued;

deemed abandoned as follows:
(A) Any check or draft, two years after the date of the demutual-

and the owner has not otherwise communicated with the holder or its
agent regarding the property;

(A) or (B) of this paragraph (15) shall be treated under other provisions  
of this chapter for the specific type of property;

by K.S.A. 58-816, and amendments thereto, that have been unclaimed by  
the owner for one year from receipt of the proceeds of the sale and  
satisfaction of the lien.  

(b) At the time that an interest is presumed abandoned under sub-
section (a) any other property right accrued or accruing to the owner as  
a result of the interest, and not previously presumed abandoned, is also  
 presumed abandoned.  

(c) Property is unclaimed if, for the applicable period set forth in  
subsection (a), the apparent owner has not communicated in writing or  
by other means reflected in a contemporaneous record prepared by or  
on behalf of the holder, with the holder concerning the property or the  
account in which the property is held, and has not otherwise indicated  
an interest in the property. A communication with an owner by a person  
other than the holder or the holder's representative who has not in writing  
identified the property to the owner is not an indication of interest in the  
property by the owner.  

(d) An indication of an owner's interest in property includes:  

(1) The presentment of a check or other instrument of payment of a  
dividend or other distribution made with respect to an account or un-
derlying stock or other interest in a business association or financial or-
ganization or, in the case of a distribution made by electronic or similar  
means, evidence that the distribution has been received;

held, including a direction by the owner to increase, decrease or change  
the amount or type of property held in the account;  

(3) the making of a deposit to or withdrawal from a bank account;  
and  

(4) the payment of a premium with respect to a property interest in  
an insurance policy, except that the application of an automatic premium  
loan provision or other nonforfeiture provision contained in an insurance
policy does not prevent a policy from maturing or terminating if the in-
sured has died or the insured or the beneficiary of the policy has otherwise
become entitled to the proceeds before the depletion of the cash surren-
der value of a policy by the application of those provisions.

(c) Property is payable or distributable for the purpose of this act
notwithstanding the owner’s failure to make demand or to present any
instrument or document otherwise required to obtain payment.

(f) Any demand or savings account or matured timed deposit with a
financial organization shall not be presumed abandoned if regular cor-
respondence to an owner of the account has not been returned to the
sender.

(g) Any outstanding check, draft, credit balance, customer’s overpay-
ment or unidentified remittance issued to a sole proprietorship or busi-
ness association as part of a commercial transaction in the ordinary course
of a holder’s business shall not be presumed abandoned.

(h) A holder may not impose with respect to any property payable or
distributable for the purpose of this act, including any income or incre-
ment derived therefrom, any fee or charge due to dormancy or inactivity
or cease payment of interest unless:

(1) There is an enforceable written contract between the holder and
the owner of the property pursuant to which the holder may impose a
charge or cease payment of interest;

(2) for property in excess of $100, the holder, no more than three
months before the initial imposition of those charges or cessation of in-
terest, has mailed written notice to the owner of the amount of those
charges at the last known address of the owner stating that those charges
will be imposed or that interest will cease, but the notice provided in this
section need not be given with respect to charges imposed or interest
ceased before the effective date of this act, or for property described in
K.S.A. 58-3937 and 58-3938, and amendments thereto; and

(3) the holder regularly imposes such charges or ceases payment of
interest and in no instance reverses or otherwise cancels them or retro-
actively credits interest with respect to the property. Charges imposed
because of dormancy or inactivity may be made and collected monthly,
quarterly or annually except that beginning with the effective date of this
act, such charges may only be imposed for a maximum of five calendar
years.

(i) For the purpose of this section, a person who holds property as
an agent for a business association is deemed to hold the property in a
fiduciary capacity for that business association alone unless the agreement
between the agent and the business association provides otherwise.

(j) For the purposes of this act, a person who is deemed to hold
property in a fiduciary capacity for a business association alone is the
holder of the property only insofar as the interest of the business association in the property is concerned, and the business association is the holder of the property only as the interest of any other person in the property is concerned.

(k) Any property held by a financial organization that would otherwise be presumed abandoned under this section shall not be presumed abandoned if the apparent owner:

(1) Owns other property which is not presumed abandoned and if the financial organization communicates in writing with the owner with regard to the property that would otherwise be presumed abandoned under this section at the address to which communications regarding the other property regularly are sent; or

(2) had another relationship with the financial organization concerning which the owner has:

(A) Communicated in writing with the financial organization; or

(B) otherwise indicated an interest as evidenced by a memorandum or other record on file prepared by an employee of the financial organization and if the financial organization communicates in writing with the owner with regard to the property that would otherwise be abandoned under this section at the address to which communications regarding the other relationship regularly are sent.

Sec. 15. K.S.A. 2003 Supp. 58-3950 is hereby amended to read as follows: 58-3950. (a) Except as provided in subsection (i), a holder of property presumed abandoned shall make a report to the administrator concerning the property.

(b) The report must be verified and must contain:

(1) A description of the property;

(2) except with respect to a traveler’s check or money order, the name, if known, and last known address, if any, and social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of $100 or more;

(3) an aggregated amount of items valued under $100 each;

(4) in the case of an amount of $100 or more held or owing under an annuity or a life or endowment insurance policy, the full name and last known address of the insured or annuitant and of the beneficiary;

(5) in the case of property held in a safe deposit box or other safekeeping depository, a description of the property and any amounts owing to the holder;

(6) the date, if any, on which the property became payable, demandable or returnable and the date of the last transaction with the apparent owner with respect to the property; and

(7) other information that the administrator prescribes by rules and regulations as necessary for the administration of this act.
(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to a life insurance company must be filed before May 1 of each year for the calendar year next preceding. The initial report of property distributable in the course of a demutualization, rehabilitation or related reorganization of an insurance company as of December 31, 2003, shall be due by November 1, 2004.

(e) The holder of property presumed abandoned shall send written notice to the apparent owner, not more than 120 days or less than 60 days before filing the report, stating that the holder is in possession of property subject to this act if:

(1) The holder has in its records an address for the apparent owner which the holder’s records do not disclose to be inaccurate;

(2) the claim of the apparent owner is not barred by a statute of limitations; and

(3) the value of the property is $100 or more, or is reported under K.S.A. 58-3943 or 58-3949, and amendments thereto.

(f) The written notice shall contain the following:

(1) Nature and identifying number, if any, or description of the funds or other property; and

(2) the amount appearing on the records of the holder to be due the apparent owner.

(g) If the holder is not a life insurance company, the written notice shall set forth an additional statement that the funds or other property will be reported as unclaimed property to the state treasurer of Kansas no later than November 1 of the current year.

(h) If the holder is a life insurance company, the written notice shall set forth an additional statement that the funds or other property will be reported as unclaimed property to the state treasurer of Kansas no later than May 1 of the current year.

(i) The holder of property presumed abandoned does not need to file a report under the provisions of this section if such holder has no individual property valued over $100 and the total value of such holder’s aggregated property is under $250, unless required to do so by the provisions of subsection (k).

(j) Before the date for filing the report, the holder of property presumed abandoned may request the administrator to extend the time for filing the report. The administrator may grant the extension for good
cause. The holder, upon receipt of the extension, may make an interim
payment on the amount the holder estimates will ultimately be due which
terminates the accrual of additional interest on the amount paid.

(k) The administrator, in the administrator's discretion, may require
that any holder of property presumed abandoned, file a report as required
by this section.

Sec. 16. K.S.A. 2003 Supp. 79-3230 is hereby amended to read as
follows: 79-3230. (a) The amount of income taxes imposed by this act
shall be assessed within three years after the original return was filed, the
tax as shown to be due on the return was paid or within one year after
an amended return is filed, whichever is the later date, and no proceed-
ings in court for the collection of such taxes shall be begun after the
expiration of such period. For purposes of this act any return filed before
the 15th day of the fourth month following the close of the taxable year
shall be considered as being filed on the 15th day of the fourth month
following the close of the taxable year, and any tax shown to be due on
the return and paid before the 15th day of the fourth month following
the close of the taxable year shall be deemed to have been paid on the
15th day of the fourth month following the close of the taxable year.

(b) In the case of a false or fraudulent return with intent to evade
tax, the tax may be assessed, or a proceeding in court for collection of
such tax may be begun at any time.

(c) No claim shall be allowed for credit or refund of overpayment of
any tax imposed by this act unless filed by the taxpayer within three years
one year from the date the original return was filed or two years one year
from the date the tax claimed to be refunded or against which the credit
is claimed was paid, whichever of such periods expires later, or if no return
was filed by the taxpayer, within two years one year from the date the tax
claimed to be refunded or against which the credit is claimed was paid.
Where the assessment of any income tax imposed by this act has been
made within the period of limitation properly applicable thereto, such tax
may be collected by distraint or by a proceeding in court, but only if
begun within one year after the period of limitation as defined in this act.

(d) In case a taxpayer has made claim for a refund, the taxpayer shall
have the right to commence a suit for the recovery of the refund at the
expiration of six months after the filing of the claim for refund, if no action
has been taken by the director of taxation.

(e) Before the expiration of time prescribed in this section for the
assessment of additional tax or the filing of a claim for a refund, the
director of taxation is authorized to enter into an agreement in writing
with the taxpayer consenting to the extension of the periods of limitations
as defined in this act for the assessment of tax or for the filing of a claim
for refund, at any time prior to the expiration of the period of limitations.
The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. A copy of all such agreements and extensions thereof shall be filed with the director of taxation within 30 days after their execution.

(f) Any taxpayer whose income has been adjusted by the federal internal revenue service or by the income tax collection agency of another state is required to report such adjustments to the Kansas department of revenue by mail within 180 days of the date the federal or other state adjustments are paid, agreed to or become final, whichever is earlier. Such adjustments shall be reported by filing an amended return for the applicable taxable year and a copy of the federal or state revenue agent’s report detailing such adjustments. In the event such taxpayer is a corporation, such report shall be by certified or registered mail.

Notwithstanding the provisions of subsection (a) or (c) of this section, additional income taxes may be assessed and proceedings in court for collection of such taxes may be commenced and any refund or credit may be allowed by the director of taxation within 180 days following receipt of any such report of adjustments by the Kansas department of revenue, or within two years one year from the date the tax claimed to be refunded or, against which the credit is claimed was paid, whichever period expires later. No assessment shall be made nor any refund or credit shall be allowable under the provisions of this paragraph except to the extent the same is attributable to changes in the taxpayer’s income due to adjustments indicated by such report.

(g) In the event of failure to comply with the provisions of this section, the statute of limitations shall be tolled.

Sec. 17. K.S.A. 2003 Supp. 79-32,143 is hereby amended to read as follows: 79-32,143. (a) For net operating losses incurred in taxable years beginning after December 31, 1987, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code except that such net operating loss may only be carried forward to each of the 10 taxable years following the taxable year of the net operating loss. (d) If any portion of a net operating loss described in subsections (a) and (b) is not utilized prior to the final year of the carryforward period provided in subsection (a), a refund shall be allowable in such final year in an amount equal to the refund which would have been allowable in the taxable year the loss was incurred by utilizing the three year carryback provided under K.S.A. 79-32,143, as in effect on December 31, 1987, multiplied by a fraction, the numerator of which is the unused portion of such net operating loss in the final year, and the denominator of which is the amount of such net operating loss which could have been carried back to the three years immediately preceding the year in which the loss was incurred. In no event may such fraction exceed 1.

Such tax credit shall be deducted from the taxpayer’s income tax liability for the taxable year in which the expenditures are made by the taxpayer. If the amount of such tax credit exceeds the taxpayer’s income tax liability for such taxable year, the amount thereof which exceeds such tax liability may be carried over for deduction from the taxpayer’s income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried over for deduction after the fourth taxable year succeeding the taxable year in which the expenditures are made.

If the amount of the taxpayer’s tax liability is less than $2,250 in the second year in which the credit is claimed under this section, an amount equal to the amount by which 1⁄3 of the amount of the credit carried over from the first taxable year exceeds such tax liability shall be refunded to the taxpayer and the amount by which the amount of the credit carried over from the first taxable year exceeds such tax liability less the amount of such refund may be carried over for the next two succeeding taxable years. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer’s possession a properly executed exemption certificate provided by the consumer claiming the exemption. Any retailer asserting a claim that certain sales are exempt who does not have the required exemption certificates in possession shall acquire such certificates within 60 days after receiving notice from the director that such certificates are required. If such certificates are not obtained within the period set forth herein, the sales shall be deemed to be taxable sales under this act.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. No refund or credit shall be allowed by the director after three years from the date of payment of the tax as provided in this act unless before the expiration of such period a claim therefor is filed by the taxpayer, and no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing a claim therefor with the director.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) For all taxable periods subject to assessment on January 1, 1998,
including periods subject to an agreement to extend the statute of limitations, and for all taxable periods commencing after December 31, 1997, interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the due date of the return if it was timely filed and accompanied by the tax due or, if the return was not timely filed, from the date of payment, except that no interest shall be allowed on any such refund if the same is paid within 60 days after the date of the return or the date of payment, as the case requires.

(e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers’ sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding $10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers’ sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding $50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers’ sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled In re appeal of Water District No. 1 of Johnson County shall be allowed for tax paid prior to the effective date of this act. The tax levied under K.S.A. 79-3703, and amendments thereto, shall be paid by the consumer or user to the retailer and it shall be the duty of each and every retailer to collect from the consumer or user the full amount of the tax imposed by this act. Such tax shall be a debt from
the consumer or user to the retailer when added to the original purchase price, and shall be recoverable at law in the same manner as other debts.

If the tax levied under K.S.A. 79-3703, and amendments thereto, is not collected by the retailer, then the person using, consuming or storing tangible personal property in this state shall file a return and pay the tax, as required by K.S.A. 79-3706, and amendments thereto, notwithstanding the foregoing provisions of this section or any other provision of the Kansas compensating tax act. The director shall provide a means for the individual consumer to report and remit state and local consumer’s compensating use tax on the Kansas individual income tax return. Reporting and remitting state or local consumer’s compensating use tax on the Kansas individual income tax return shall not relieve the consumer from the filing frequency requirements in K.S.A. 79-3706, and amendments thereto, but may substitute as an alternative means of reporting and remitting state or local consumer’s compensating use tax if the consumer is eligible to file and remit such tax on an annual filing frequency.

The usage study shall be on a form prescribed by the department of revenue and shall be certified by a registered engineer or a person with an engineering degree from an accredited college and by the owner or manager of the business. The usage study shall be updated every five years or as operational changes occur, such as adding equipment, changing hours of operation, quitting business or similar change in the usage of the equipment being metered. No exemption shall be allowed for utilities furnished through one meter unless the percentage of exempt use is more than 50% of the metered sales. No refund shall be paid for a refund amount less than $5 during any one reporting period.

New Sec. 27. (a) No refund of income, sales or use tax, and any interest or penalties thereon shall be allowed if the taxpayer claiming such refund has entered into any contract or arrangement with any person representing such taxpayer in pursuing such refund claim, where the compensation or other benefits paid or payable to such person representing the taxpayer, is contingent upon, in whole or in part, or otherwise related to, the amount of tax, interest, or penalty that may be refunded or paid by the state of Kansas or that will be exempted in the future under an exemption claim, as a result of such refund or exemption claim.
