Any person convicted of any felony, a crime involving gambling or a crime of moral turpitude prior to applying for a certificate hereunder or at any time thereafter shall be deemed unfit. The Kansas racing and gaming commission shall conduct the security, fitness and background checks required pursuant to this subsection. Certification pursuant to this subsection shall not be assignable or transferable;

memoranda of any lottery gaming facility manager or racetrack gaming facility manager, or of any business involved in electronic gaming machines or lottery facility games authorized pursuant to the Kansas expanded lottery act, for the purpose of ascertaining compliance with any provision of the Kansas lottery act, the Kansas expanded lottery act, or any rules and regulations adopted thereunder;

(2) investigate alleged violations of the Kansas expanded lottery act and alleged violations of any rules and regulations, orders and final decisions of the Kansas lottery commission, the executive director of the Kansas lottery, the Kansas racing and gaming commission or the executive director of the Kansas racing and gaming commission;

(3) request a court to issue subpoenas to compel access to or for the production of any books, papers, records or memoranda in the custody or control of any lottery gaming facility manager or racetrack gaming facility manager related to the management of the lottery gaming facility or racetrack gaming facility, or to compel the appearance of any lottery gaming facility manager or racetrack gaming facility manager for the purpose of ascertaining compliance with the provisions of the Kansas lottery act and the Kansas expanded lottery act or rules and regulations adopted thereunder;

(c) Appropriate security measures shall be required in any and all areas where electronic gaming machines and other lottery facility games authorized pursuant to the Kansas expanded lottery act are located or operated. The executive director of the Kansas racing and gaming commission shall approve all such security measures.

(d) The executive director of the Kansas racing and gaming commission shall require an annual audit of the operations of each lottery gaming facility and ancillary lottery gaming facility operations and each racetrack gaming facility as determined by the commission. Such audit shall be conducted by the Kansas racing and gaming commission or a licensed accounting firm approved by the executive director of the Kansas racing and gaming commission and shall be conducted at the expense of the lottery gaming facility manager or racetrack facility manager.

(e) None of the information disclosed pursuant to subsection (b) or (d) shall be subject to disclosure under the Kansas open records act, K.S.A. 45-216 et seq., and amendments thereto.

New Sec. 22. (a) No revenue bonds, tax increment financing or similar financing shall be used to finance any part of any lottery gaming enterprise or any racetrack gaming facility.

This section may be satisfied by procurement of insurance by the lottery gaming facility manager or racetrack gaming facility manager, naming the executive director, the commission and the state as additional insured parties. Procurement of such insurance by a lottery gaming facility manager shall be a lottery gaming facility expense of the lottery gaming facility and procurement of such insurance by a racetrack gaming facility manager shall be a racetrack gaming facility expense of the racetrack gaming facility. The provisions of this section shall not apply to any claims arising from a negligent act or omission or willful or malicious misconduct of the executive director, the commission or the state, or the agents or employees thereof.

New Sec. 24. As a condition precedent to contracting for the privilege of being a lottery gaming facility manager or a racetrack gaming facility manager, such manager shall file with the secretary of state of this state a written and irrevocable consent that any action or garnishment proceeding may be commenced against such manager in the proper court of any county in this state by the service of process on a resident agent, and stipulating and agreeing that such service shall be valid and binding as if service had been made upon such manager. Such written consent shall state that the courts of this state have jurisdiction over the person of the lottery gaming facility manager or racetrack gaming facility manager and are the proper and convenient forum for such action and shall waive the right to request a change of jurisdiction or venue to a court outside this state and that all actions arising under this act and commenced by such manager shall be brought in this state's courts as the proper and convenient forum. Such consent shall be executed by the lottery gaming facility manager or racetrack gaming facility manager and, if a corporation, by the president and secretary of such corporate manager. When a district judge, in making in a civil action an order not otherwise appealable under this section, is of the opinion that such order involves a controlling question of law as to which there is substantial ground for difference of opinion and that an immediate appeal from the order may materially advance the ultimate termination of the litigation, the judge shall so state in writing in such order. The court of appeals may thereupon, in its discretion, permit an appeal to be taken

from such order, if application is made to it within 10 days after the entry of the order under such terms and conditions as the supreme court fixes by rule. Application for an appeal hereunder shall not stay proceedings in the district court unless the district judge or an appellate court or a judge thereof so orders.

The furnishing of assistance in such an investigation shall be a transaction between the Kansas lottery and the respective officer and shall be settled in accordance with K.S.A. 75-5516, and amendments thereto.

Upon the request of the chairperson, the Kansas bureau of investigation and other criminal justice agencies shall provide to the chairperson all background investigation information including criminal history record information, arrest and nonconviction data, criminal intelligence information and information relating to criminal and background investigations of a vendor to whom a major procurement contract is to be awarded.
