Prayer by guest chaplain, the Rev. Ted Smith, pastor, Moline Christian Church, and guest of Rep. P. Long:

Lord God Almighty, please bless these, your chosen representatives, as they seek to govern our state for the betterment of all Kansans. Father, please be with Representative Neufeld and his family as they mourn the loss of their loved one, their son.

As proud representatives of the people of Kansas, they need your guidance in all the decisions they will make this day. And since it is by your grace and power that each one has been placed here, we humbly ask for wisdom for each one as they pass the laws and make the rules that govern our state.

May the hand of the Almighty be upon each man and each woman today, with loving guidance.

Grant us all, dear Lord, the character qualities of Jesus Christ, grant us integrity beyond measure and grant us honesty beyond question.

Let the decisions made here today be beneficial to our state and may the results of these decisions glorify you, Father, in Heaven.

I pray all this in Jesus name. Amen!

The Pledge of Allegiance was led by Rep. Ostmeyer.

EXPLANATIONS OF VOTE

MR. SPEAKER: We vote no on HR 6003. State Statutes do not require fiscal notes on resolutions. The cost of complying with this resolution is not known.

The most recent medical, biological, and scientific facts that must be presented before the Supreme Court through expert witnesses will be expensive to obtain. Legislative appropriation experience has taught us that expert witness fees are nonnegotiable and exorbitant in price. Due to the unknown fiscal cost, and the fiscal crisis of the state which will continue past FY 2005, we cannot vote to impose a resolution when the fiscal cost is not known. We vote no.—CINDY HERMES, LLOYD A. STONE, DEENA HORST, MARY COMPTON, LANA GORDON

MR. SPEAKER: I vote “No” on HR 6003. Although I am as fully committed to the pro-life position as any member of this body, I cannot and will not support a resolution which makes no sense. It is unreasonable to expect a pro-abortion attorney general to successfully litigate a pro-life position. It is unnecessary to direct a pro-life attorney general to do so. This resolution is merely “feel good” legislation. I vote no.—JOHN T. EDMONDS

MR. SPEAKER: We truly believe that religious beliefs should not and cannot be legislated. The most basic of all religious beliefs is the question of when the divine spark of life enters the human body. No attorney general can generate a law which defines this. In the United States, all religious beliefs may be held and expressed by all people. This law is the antithesis of religious freedom. I vote no on HR 6003.—ETHEL M. PETERSON, ROGER E. TOELKES, BILL LEVINSON, SUE STORM, ANNE KUETHER, JUDITH LOGANBILL, RUBY GILBERT

MR. SPEAKER: I vote yes on HR 6003. The Kansas Constitution in Article One of the Bill of Rights guarantees that we have an inalienable natural right to life.

An “inalienable right to life” means that this right is so fundamental in the natural order of things in this work that it can never, ever be taken away.

That is why the right to life has the prominence of being first in our bill of Rights—without its guarantee no other rights can stand.

I have sworn before Almighty God and the great people of this state to uphold and defend our Constitution.—JOHN TOPLIKAR

Sub. SB 394. An act repealing K.S.A. 72-8136a, 72-8136b, 72-8136c, 72-8136d and 72-8136e; relating to the closure of school buildings in certain school districts, was considered on final action.

Call of the House was demanded.

On roll call, the vote was: Yeas 103; Nays 17; Present but not voting: 0; Absent or not voting: 5.

MARCH 21, 2002 1795

Nays: Aday, Cook, DiVita, Faber, Freeborn, Howell, Huebert, Hutchins, Kauffman, P. Long, Mays, Miller, Newton, Spangler, Swenson, Tomlinson, Winn.

Present but not voting: None.

Absent or not voting: Beggs, Neufeld, O’Brien, Wells, Wilson.

The substitute bill passed.

EXPLANATIONS OF VOTE

MR. SPEAKER: All school districts should have a right to close schools if it is no longer economically feasible to keep them open. However, this was not the law at the time of the last election. Citizens worked very hard to follow requirements of the law, and were rewarded with election results to keep their school open. Now we are undermining those citizens’ rights by changing the law out from under them. If these were citizens in my district I would have asked for an amendment to exclude their particular school for at least a period of time. I respectfully vote no on Sub. SB 394.—MARY PILCHER COOK

MR. SPEAKER: I cannot in good conscience vote for Sub. SB 394. The right to this protest vote was part of the original covenant between the districts which consolidated into the Shawnee Mission School District more than 25 years ago. This covenant was recognized and respected by the Kansas Legislature when the School Finance Formula was adopted in 1992. I question the State’s authority to remove this right of protest at this time. Were it not for the state-mandated limit on local funding of schools, Shawnee Mission patrons could vote to raise the funds needed to keep schools open. I respectfully vote no on Sub. SB 394.—KAREN M. DIVITA-JOHNSON

MR. SPEAKER: I vote no on Sub. SB 394. The people’s right to vote should be preserved. However, suggestions about holding one school in the entire state harmless is impracticable and could only come from a freshman legislator. I have fought to keep my schools and all schools in the Shawnee Mission School district open by voting for higher taxes. I vote no on Sub. SB 394 and yes for schools.—ROBERT TOMLINSON

SB 480. An act concerning retail electric suppliers; amending K.S.A. 66-104d, 66-1,176 and 66-1,176b and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 120; Nays 0; Present but not voting: 0; Absent or not voting: 5.

Nays: None.

Present but not voting: None.

Absent or not voting: Beggs, Neufeld, O’Brien, Wells, Wilson.

The bill passed.

SB 504. An act concerning wildlife and parks; amending K.S.A. 32-920, 32-931, 32-932, 32-933 and 32-937 and K.S.A. 2001 Supp. 32-1001 and repealing the existing sections, was considered on final action.
On roll call, the vote was: Yeas 117; Nays 3; Present but not voting: 0; Absent or not voting: 5.

Nays: Hermes, Spangler, Winn.

Present but not voting: None.

Absent or not voting: Beggs, Neufeld, O'Brien, Wells, Wilson.

The bill passed, as amended.

SB 548. An act concerning agriculture; relating to control and eradication of sericea lespedeza; powers of secretary of agriculture; expenditures by conservation districts; amending K.S.A. 2-1315, 2-1908 and 2-1915 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 113; Nays 7; Present but not voting: 0; Absent or not voting: 5.

Nays: Faber, Henderson, Spangler, Thimesch, Vickrey, J. Williams, Winn.

Present but not voting: None.

Absent or not voting: Beggs, Neufeld, O'Brien, Wells, Wilson.

The bill passed, as amended.

Sub. SB 556. An act concerning sericea lespedeza; relating to control and eradication; research and demonstration efforts, was considered on final action.

On roll call, the vote was: Yeas 112; Nays 8; Present but not voting: 0; Absent or not voting: 5.

Present but not voting: None.
Absent or not voting: Beggs, Neufeld, O’Brien, Wells, Wilson.
The substitute bill passed.

**HOUSE CONCURRENT RESOLUTION No. 5054**—

By Representative Lightner

A CONCURRENT RESOLUTION urging participation in National Adoption Day.

WHEREAS, There are about 600,000 children in foster care in the United States, and there are more than 134,000 children in our country waiting to be adopted. Since 1993 November has been proclaimed by the President as National Adoption Month to focus attention on the increasing number of children in the child welfare system waiting for permanent families. In 2001, the United States Department of Health and Human Services gave 14 awards as part of its Adoption Excellence Awards to various states, businesses and organizations which have helped abandoned, neglected or abused children find permanent homes. But as President Bush stated in his 2001 proclamation for National Adoption Month, the quiet heroes in this process are the adoptive parents who answer a special calling to share a loving home with children and to offer the children hope for a brighter future; and

WHEREAS, On November 16, 2001, lawyers and judges in 16 cities across the nation recently volunteered their time to complete more than 1,500 adoptions on the second annual National Adoption Day. This event is sponsored by the Alliance for Children’s Rights, an organization located in Los Angeles, California. Their action is spurred in part by statistics revealing that about 1/6 of foster children are removed from their homes because of abuse, nearly 50 percent will never finish high school and nearly 1/3 will spend time in jail: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the Legislature urges the judges of our various courts and the members of the Kansas Bar Association to participate in the events of National Adoption Day as it transpires in their respective communities; and

Be it further resolved: That the Secretary of State provide an enrolled copy of this resolution to the Chief Justice of the Kansas Supreme Court and to the President of the Kansas Bar Association.

**HOUSE CONCURRENT RESOLUTION No. 5055**—

By Representative Benlon

A PROPOSITION to amend section 8 of article 2 of the constitution of the state of Kansas, relating to legislative sessions.
Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 8 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 8. Organization and sessions. The legislature shall meet in regular session annually commencing on the second Monday in January, and as provided by law. All sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment. The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members then elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the other, shall adjourn for more than two days, Sundays excepted. Each house shall elect its presiding officer and determine the rules of its proceedings, except that the two houses may adopt joint rules on certain matters and provide for the manner of change thereof. Each house shall provide for the expulsion or censure of members in appropriate cases. Each house shall be the judge of elections, returns and qualifications of its own members."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to authorize the legislature to provide by statute for the time of commencement of regular legislative sessions."

"A vote for this amendment would favor authorizing the legislature to provide by statute for the time of commencement of regular legislative sessions."

"A vote against this amendment would favor making no change in the current constitutional provision establishing the time for commencement of regular legislative sessions."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in the year 2002 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.
