Attention Kansas Law Enforcement Customers

The Kansas Bureau of Investigation Forensic Science Laboratory division will be adjusting the hours of operation for the Evidence Control Centers (ECC). This will allow our evidence control specialists to complete evidence processing at the close of each business day. While our evidence control center staff is excited about this opportunity for improvement, they remain committed to providing timely, meaningful, high-quality services to all our customers.

Effective 09/02/2024, the new hours of operation are as follows:

Forensic Science Center in Topeka

Hours of operation are: 08:00 – 16:00, Monday – Friday. Customers can complete in-person evidence transactions as normal during this time. We recommend calling one of the following numbers in advance to schedule an appointment (785) 296-1042, (785) 296-1045, or (785) 269-1051.

Regional Forensic Science Laboratories

Hours of operation for our regional forensic science laboratories are: 08:00 – 12:00 and 13:00 - 16:00, Monday – Friday (closing from 12:00 – 13:00 for lunch). We recommend calling one of the following numbers in advance to schedule an appointment:

Great Bend ECC
(620) 603-7127
(620) 603-7133

Kansas City KS ECC
(913) 942-3000

Pittsburg ECC
(620) 308-3347

The KBI Forensic Science Laboratory division ECCs are here to assist you with your evidence needs. If you have questions regarding our hours of operation or scheduling your evidence deliveries to our laboratories, please contact Wendy Janca, Evidence Control supervisor, at (785) 296-1040 or email at wendy.janca@kbi.ks.gov

Sincerely,

Stephen B. Sisco
