

# THE KANSAS OPEN RECORDS ACT (KORA)

---

## IT IS THE KBI'S RESPONSIBILITY TO:

- Appoint a Freedom of Information Officer (FOIO) to assist in resolving issues related to KORA requests.
- Act on record requests within three business days following their receipt and to provide the requestor notice if additional time will be required to locate or compile requested records.
- Estimate the charge for providing requested records and obtain advance payment prior to fulfilling the request.
- Redact personal information from an otherwise public record before releasing it, and/or protect from disclosure records covered by KORA exceptions.
- Determine the format (paper, electronic or other media) in which a record will be produced if the record is maintained in an electronic database and/or contains some information that may need to be redacted prior to release.
- Refuse a record request if it places an unreasonable burden on the agency.

## IT IS YOUR RIGHT TO:

- Inspect or request copies of public records retained by the KBI, which are not exempt from disclosure by a specific law, during the KBI's regular business hours.
- Be provided an estimate or statement of the reasonable costs the KBI will charge to provide requested records, prior to charges being incurred.
- Receive the records you request, or at least a response to your request, within three business days after it is received by the KBI.
- File a complaint with the Kansas Attorney General's Office if you feel you are wrongly denied records.

## PROHIBITED USES:

- K.S.A. 45-230 prohibits the use of names and addresses derived from public records for certain commercial purposes. Violation of this law can result in a civil penalty of as much as \$500 per incident.

## HOW TO OBTAIN OPEN RECORDS:

- Record requests must be in writing and may be delivered in person or by mail to the KBI Headquarters.
- You should identify the record(s) you seek with as much specificity as possible. The KBI has no obligation to create a record that does not already exist. Also, pursuant to our record retention schedule, a record that previously existed may have since been destroyed, and the KBI is not required by law to recreate it.

## FOR ADDITIONAL INFORMATION:

- Criminal investigation records
- Criminal intelligence information
- Laboratory reports and files
- Information that would reveal the identity of any undercover agent or informant
- Records that would reveal the identity of the victim of any sexual offense
- Records protected by the attorney-client privilege
- Most personnel records
- Records closed by the rules of evidence
- Notes and preliminary drafts
- Medical records
- Records containing information of a personal nature
- Standard arrest reports (SARs) and standard offense reports (SORs) – SARs are not subject to disclosure and only the first page of a SOR may be obtained through the local law enforcement agency that filed the report
