Law Enforcement Fingerprint Information

Grouped by County

Notes:

- **Information on this list is provided by the agency from a yearly survey sent out by the KBI Information Services Division.**
- **Ink means the law enforcement agency uses ink to fingerprint. These fingerprints are then mailed to either the KBI or the requesting agency.**
- **Digital - mailed means the law enforcement agency uses an electronic device to take the fingerprints, then prints the fingerprint card and mails them to either the KBI or the requesting agency.**
- **Digital - electronic means the law enforcement agency uses an electronic device to take the fingerprints, then sends them electronically to KBI.**
