

Pre-Approved Continuing Education for Cosmetology Profession Instructors

Class length (hours) is subject to change without notice from vendor

You can now renew online: <https://www.kansas.gov/kboc/Licenserenewaloptions.htm>. As a courtesy, when renewing online, please upload your continuing education documentation in one attachment. Thank you for your consideration.

Continuing education hours will automatically be granted for courses offered by approved providers listed in the Instructor CE Policy. If the course or training meets the continuing education requirements of [Board Guidance Document 001-15 Cosmetology Profession Instructor Continuing Education Policy](#). Courses meeting the requirements of the policy and offered by these providers do not require pre-approval from the Board.

The following teaching skills and methodology courses are approved by the Board.

Milady:

Milady Training for Instructors is approved for teaching skills and methodology continuing education credit. You can access the available courses through the following link.

<https://www.miladypro.com/store/products/browse/online-courses/training-for-instructors>

Milady Human Trafficking Awareness Course. You can access the course using the following link:

<https://www.miladytraining.com/courses/human-trafficking-awareness>

Pivot Point: Mindful Teaching:

The Pivot Point Mindful Teaching instructor program is approved for continuing education credit. You can access the information about the program using the following link: <https://www.pivot-point.com/schools/licensure-education/mindful-teaching-pro/> Completion of the course in a licensed school would fulfill an instructor's teaching skills and methodology and practice continuing education requirements for renewal.

Kansas Attorney General

Human Trafficking in Kansas Presentation. Use the following link to find out more:
