KPERS and Social Security won't be enough.

Most financial experts suggest replacing at least 80 percent of your income in retirement, and your KPERS pension probably won't be enough. You need to save on your own. That's where KPERS 457 comes in. We're a 457(b) savings plan for public employees. KPERS 457 gives you the tools to **complement** your KPERS and Social Security for a more sound retirement.

- You choose when and how much
- As little as \$12 a paycheck
- Simplified investment options
- Pre-tax, automatic contributions
- Costs less than the industry average

Getting started is easy!

Enroll online or call for an appointment with a **real** person, when and where it's convenient for you. We'll be here to help every step of the way. After all, what are sidekicks for?

Get started saving today, even with a little bit. Because someday you might want to retire.
